SPIRITUAL LEADERS

Dr. Sam Kurian Thomas D. Min.

He is the President of The Apostolic Faith Church. The church provides apostolic oversight to pastors and churches affiliated to it through the Apostolic Council of which he is the Presiding Elder. He has been in ministry for over forty years.

He has been actively working with other Apostolic/ Prophetic leaders of the Church to form Apostolic Councils in many nations through the International Fellowship of Apostolic Faith Ministers of which he is the International President. The Council provides oversight and leadership for ministers, ministries and fellowships who are wanting to be part of Apostolic Christianity as patterned in the Scriptures and that is emerging everywhere today. IFAFM contends for the Apostolic Faith that was once for all delivered to the Saints (Jude 3). For many years, he has been reaching out to nations from Africa to Fiji in the South Pacific.

According to Ephesians 4:13, we mobilize, teach, train, equip and deploy the Saints through the Apostolic Faith Bible Institute and Daystar Leadership Training Institute for the fulfillment of purpose and destiny, equipping the leaders and nationals by recognizing, raising and releasing seasoned, proven, mature, valid and fruitful ministry in the body of Christ. He has written and compiled many books and training manuals for personal, Christian leadership and ministry development. They are available upon written request.
